

CLUB ASSOCIATIONS INSPIRATION

Stand out with creative, outdoor amenities.

The world of club associations is not like it used to be. As new generations grow to become members, clubs are evolving to conform to the lifestyles and needs of all its members. Stand out against your competition with these four cost-effective outdoor amenity solutions.

It's time to come play. relax. live.

Hyperbolic Sail Shades

Biscayne Patio Table Set

Create multi-use social spaces.

Create multi-use indoor and outdoor social spaces. This shaded outdoor patio can be used for casual dining, allow members a quiet space to work after a workout, or host revenue-generating events. What's more, the shade structure featured here includes electrical access in each column for convenience and uplighting for events.

TRANSFORM YOUR PATIO SPACE ►

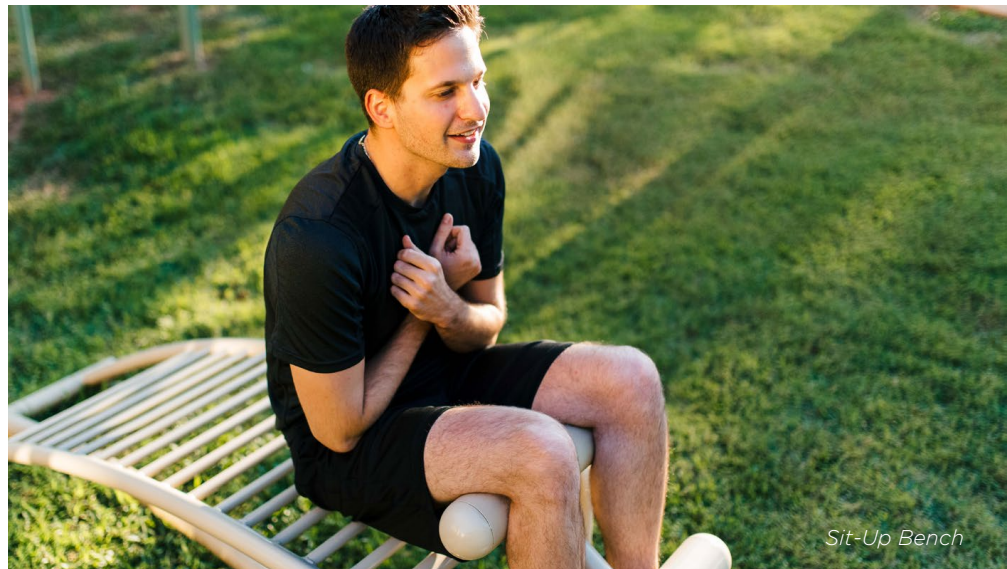

Jump Touch Beam

Spring Up Bars

Pull-Up and Dip Station

Sit-Up Bench

Cardio Walker

Create an outdoor fitness area.

Fitness areas are one of the trendiest new amenities in clubs. Create an outdoor fitness area for guests by installing fitness equipment that targets a variety of muscles. Choose from equipment like our Cardio Walker, Sit-Up Bench, and Horizontal Ladder.

BUILD YOUR FITNESS AREA ►

Horizontal Ladder

Tuned Drums

Lily Pad Cymbals

Add kid-friendly spaces.

Attract young families who are looking for kid- and family-friendly activity spaces to your club. These families are not only looking for child care services, but spaces that bring the whole family together. Add a themed playground structure, swings, and outdoor musical instruments to your property to attract members with young children.

Poolside Cabana Shade

Add shade to make outdoor spaces more comfortable.

Every club has them, but are they shaded? These club must-have areas, like the driving range for example, is an unexpected space to provide relief from the hot sun. We've shaded everything from a small wading pool to tennis courts.
