Children are more THAN JUST LITTLE BODIES.

They have developing minds, growing personalities, and impressionable spirits. That's why at Grounds For Play we seek to **encourage, inspire, and empower** children through play. Our mission is to design and build **recycled** outdoor play environments for children of all ages **that are safe and environmentally-focused** and encourage social, emotional, language, cognitive, motor, and physical skill development.

*We are very different
and we're proud of it.*

We are built on an understanding of **child development, play, and safety**, which is reflected in the equipment we manufacture and the **environmentally-friendly** play environments we design. Our understanding allows us to address comprehensive issues, age-specific needs, and create play environments that are **centered around your objectives**.

*We maintain an extraordinary
record of safety.*

Our **commitment to safety** is reflected in each phase of our planning process — from our materials to our strategic 6' obstruction-free fall zones. All of our products **meet or exceed** standards set forth by the respectable organizations in our industry, such as IPEMA™ and the U.S. Access Board.

We support *major areas of play.*

1

Physical Play

Movement play, primarily found in physical play, helps to strengthen the body and develop gross motor skills. Physical play also allows for learning opportunities in adaptability, flexibility, and resilience.

2

Music & Art Play

When allowed to create, whether that be a musical piece or an art piece, children can access their playfulness, creativity, and innovative spirits. Music and art helps to develop a child's fine motor skills.

3

Dramatic Play

Dramatic play allows children to act out everyday scenes to make sense of their surroundings. Dramatic play also encourages communication, sharing, creativity, and emotional development.

4

Nature & Outdoor Classroom

Nature play gives children the opportunity to explore, understand, and appreciate nature, while the outdoor classroom allows children to explore topics such as math and science principles.

Playground Materials

At Grounds For Play, we only use **quality playground materials** — whether you're purchasing a musical instrument or a full structure. Manufactured at our West Georgia manufacturing facility, **our products are proudly made in the USA.** Our products are built to last and provide fun for years to come.

1

We offer the look and feel of wood without the unwanted maintenance.

Our recycled posts and decks look just like wood without the unwanted maintenance. These reinforced posts and decks are vandal-resistant, protected from rotting or splitting, and have UV additives to protect them from fading. Additionally, this material is resistant to termites, salt spray, and corrosion.

2

Our rotationally-molded plastics have anti-static inhibitors.

Our rotationally-molded plastics, such as those used for slides and tubes, are made of ¼" thick low density polyethylene (LDPE). They are UV stabilized for reduced fading and also contain anti-static inhibitors.

3

Our powder coat leaves your structure protected.

Our steel components are primed at the welded areas and coated with 3-5 mils of powder coat to protect your playground from fading and rust. Additional extra-protection coating options for regions, such as coastal, are available.

4

Our textured HDPE panels are strong and UV stabilized.

Our ¾" thick textured high density polyethylene is used for products such as our activity panels. With UV stabilization, we ensure your carefully selected color will remain bright and colorful for years to come. These panels are resistant to staining and graffiti and will not splinter or crack.

5

Our modular shades block harmful UV rays.

Our shade fabric blocks 91%-99% of harmful UV rays, depending upon the color you've chosen. Our fabric is also flame retardant, with some of our color choices being California Fire Marshal certified.

6

We offer stainless steel hardware, so you won't worry about rust.

99% percent of the hardware we use is stainless steel, with less than 1% being corrosion-resistant coated steel. Our hardware is packaged individually and labeled, allowing for more efficient installation.

WHY SHOULD I CHOOSE RECYCLED?

Our recycled playgrounds are made from reclaimed post-consumer plastic products like milk jugs. What's more, our recycled line focuses on early childhood development.

Protected

Resistant to vandalism corrosion, rotting, splitting, salt spray, marine borers, termites, oil, and fungus.

Low Maintenance

Looks and feels like wood without the unwanted maintenance.

Prevents Fading

Includes UV additives to protect from fading.

THE SURFACING LOW DOWN

Poured Rubber Options

- Poured In Place (PIP)**
- Two-layer system
 - High wear resistance
 - Great for high-traffic use
 - Lower maintenance
 - Great accessibility
 - Add graphics
 - Mix colors

Unitary Options

- Bonded Rubber Mulch**
- Recycled shredded rubber
 - Great accessibility
 - Medium wear resistance
 - Many color options

Rubber Tiles

- Easy to repair
- Highly accessible
- High wear resistance
- Lower maintenance
- Many color options

Synthetic Turf

- Looks like natural grass
- Impact layer and wear layer
- Medium wear resistance
- Low maintenance

Loose Fill Options

Rubber Mulch

- Shredded rubber granule
- High wear resistance
- High impact attenuation rating
- Mold, animal, and insect resistant
- 100% recycled

Engineered Wood Fiber

- All-natural wood
- Economical initial cost
- Specifically for playgrounds
- Requires regular maintenance
- Use of wear mats under swing bays recommended to maintain proper depths

We Make It Easy To buy

Grounds For Play makes it easy to buy (no lengthy bidding process!) by having a nationwide team of consultants and by having contracts with the following organizations.

State-Specific Opportunities

The NASPO ValuePoint Cooperative Purchasing Organization is available to all public agencies, institutes of higher education, political subdivisions, and, in some cases, non-profit organizations in states who have obtained a NASPO ValuePoint Participating Addendum. Currently, we have partnered with the following states under NASPO ValuePoint Master Agreement No.: 6482.

- Montana
- North Dakota
- Oregon
- South Carolina
- Kansas
- New Mexico
- South Dakota
- Utah
- Washington
- Virginia
- New York
- And More!

For Businesses

Marlin Capital Solutions is a direct lender providing financing to small and mid-size businesses so they can acquire new equipment and technology while preserving capital. Their customers include equipment dealers, manufacturers, distributors, and small business establishments.

For Government Entities

BuyBoard is an online purchasing cooperative that gives its members best pricing on products, equipment, and services that they use every day. Members save time and resources because the competitive procurement process has already been completed. BuyBoard's nationwide members include those in public schools, municipalities, county government, and all types of local government agencies and non-profits.

HGACBuy is a cooperative purchasing network available to local governments, state agencies, and certain non-profit corporations nationwide. All products offered by HGACBuy have been awarded through a public competitive process. To become a member of HGACBuy and to view products like ours, visit hgacbuy.org.

GSA Advantage!® is an online cooperative purchasing program that provides access to thousands of products and services. State and local government entities can take advantage of this buying power to get you the best value and price.

For Everyone

Our consultants have extensive knowledge and training in early childhood and Grounds For Play products. Find your closest representative by visiting groundsforplay.com and clicking "Contact a Rep."

We Meet or Exceed industry standards

In our effort to provide quality and safe play products for children, our products meet or exceed the standards set forth by the below organizations. Additionally, we follow our own strict in-house standards and guidelines.

.....

International Play Equipment Manufacturers Association™

In the interest of playground safety, the International Play Equipment Manufacturers Association (IPEMA™) provides a third-party certification service whereby a designated independent laboratory, TÜV SÜD America Inc., (TÜV), validates an equipment manufacturer's certification of conformance to the standards below.

- ASTM1487-17, excluding sections 7.1.1, 10 and 12.6.1: Standard Consumer Safety Performance Specification for Playground Equipment for Public Use
- CAN/CSA-Z614-14, excluding clauses 9.8, 10, and 11: Children's Playspaces and Equipment

A list of current validated products may be viewed on their website at www.ipema.org. Grounds For Play is a member of this organization.

American Society for Testing and Materials

The American Society for Testing and Materials (ASTM) is an independent and world renowned developer of technical standards utilized in testing a multitude of products. ASTM developed F1487 Standard Consumer Safety Performance Specifications for Playground Equipment for Public Use. The current standard is F1487-11, published in 2011.

U.S. Consumer Product Safety Commission

The U.S. Consumer Product Safety Commission (CPSC) presents safety guidelines through the publication of their Public Playground Safety Handbook. This handbook promotes greater safety awareness among those who purchase, install, and maintain public playground equipment. The handbook can be viewed on the CPSC's website, cpsc.gov.

United States Access Board

The U.S. Access Board is a federal agency that promotes equality for people with disabilities. They've developed guidelines and standards for built environments, such as playgrounds.

In-House Standards

At Grounds For Play, we only use quality playground materials. Our playgrounds are proudly made in the USA and are built to last.

To ensure the safest play for your children, we offer:

- Quality control inspection on all parts and shipments
- All products must pass inspection in our IPEMA Certified In-House Testing Facility
- In-house production of most products
- All products meet or exceed CPSC, ASTM, and ADA Safety Guidelines
- On-staff CPSI certified employees
- Local field factory trained installation technicians

Allied Tube & Conduit®

Some of our products constructed from Allied's heavy-wall galvanized steel tubing, which is protected by Allied's patented Flo-Coat® process that uses triple-coat corrosion protection (zinc, conversion coating, and clear organic topcoat) to provide a smooth, shiny product appearance that is unmatched in terms of strength and durability

Our Leading warranty

Our warranty guarantees years of unlimited fun. **View our full warranty by visiting us online at groundsforplay.com/gfp-warranty.**

.....

Grounds For Play (GFP) warrants that its product will be free from defects in materials and workmanship as well as maintain structural integrity for the periods listed below from the date of invoice and once GFP has been paid in full. This warranty is in effect only if the product has been assembled and installed strictly in accordance with the setup instructions provided by GFP, good construction practices, and has been subjected only to normal use and exposure.

- Lifetime* Warranty on playground steel and recycled posts, all stainless steel hardware, c-line fittings, and aluminum post caps
- 15-Year Limited Warranty on playground pipes, rungs, loops and rails, roto-molded plastics, HDPE plastic sheets, punched steel decks, and recycled decks
- 10-Year Limited Warranty on shade fabric
- 5-Year Limited Warranty on powder coat and nets
- 1-Year Limited warranty on moving parts, cables, nature products, and materials not covered above

Limited Warranty: Structural Steel

GFP offers a *Lifetime Limited Warranty on structural steel frames against failure due to rust-through corrosion under normal environmental conditions. Should the parts need to be replaced under the warranty, GFP will manufacture and ship new replacement parts at no charge for the first ten years, thereafter pro-rated at 50% for the second ten years and 25% from there on. Workmanship is warranted for a period of five years. This steel warranty shall be void if damage to the steel is caused by the installer or from physical damage, damage by salt spray or sprinkler systems, contact with chemicals, chlorine, pollution, misuse, vandalism, or any act of God.

Limited Warranty: Powder Coat

GFP offers a 5-year Limited Warranty for powder coating to the original purchaser. This Limited Warranty is for factory applied finish only. Damage occurring from shipping, erection, vandalism, accidents, or field modification is not covered in this limited warranty and will require field touch-up immediately and periodically thereafter. The owner must report any defect in powder coat at the time the installation is completed. Not covered by this Limited Warranty are acute angles, welds, and end plates.

The Limited Warranty for powder coating provides the following after a 5-year exposure period when applied according to the recommendations listed on the product's technical data sheet and appropriate surface preparation has been utilized.

- The coatings shall retain their original color with a ΔE of <7.5 units for high chroma colors (yellows, reds, oranges, etc.) and a ΔE of <5.0 units for low chroma colors, when tested in accordance with ASTM D 2244.
- The coating shall retain a minimum of 50% of its original gloss level after washing, when tested in accordance with ASTM D 523.
- The coating shall exhibit chalking no worse than numerical rating of 6, when evaluated in accordance with ASTM D 659-80.

Stainless Steel Series Powered by Playdale Playgrounds

Playdale Playgrounds warrants its products to the original customer to be free from structural failure due to defect in materials or workmanship during normal use and installation in accordance with the published specifications. The warranty shall commence on the date of the invoice and terminate at the end of the period on the full warranty statement. The warranty is valid only if the products are installed properly and in conformance of the specifications, installation guides, Playdale Playgrounds design layout, and properly maintained in accordance with the maintenance schedule provided within the installation instructions. Playdale Playgrounds reserves the right to accept or reject any claim in whole or in part. Playdale Playgrounds will not accept the return of any product without prior approval by Playdale management.

Nature Products

Our natural products come with a 1-year limited warranty against manufacturer defects only. Nature materials and products are subject to weathering, cracking, checking, splintering, and insects, which are not covered underneath the warranty. Due to the sourcing of natural product, GFP cannot guarantee sizes or shapes to be uniform.

Pricing, Cancellation, Return, and Shipping Policies

All prices are F.O.B. factor and do not include freight, installation, shipping and handling, surfacing, or applicable taxes. All prices listed were current at the time of printing and in U.S. currency. Prices are subject to change without notice. To view our return policy, please visit superiorrecreationalproducts.com/returns. For information on Return Material Authorizations please call 1.800.552.7529. To view our shipping policy, please visit groundsforplay.com/shipping. For any further information, please call 1.800.552.7529.

*For the purpose of this warranty, lifetime encompasses no specific term of years, but rather that seller warrants to its original customer for as long as the original customer owns the product and uses the product for its intended purpose that the product and all parts will be free from defects in materials and manufacturing workmanship. This warranty does not cover damage caused by vandalism, misuse or abuse, altered or modified parts, or cosmetic damage such as scratches, dents, or fading or weathering and normal wear and tear. This warranty is valid only if the structures are installed in conformity with instructions provided by GFP using approved GFP parts. GFP will deliver the repaired or replacement part or parts to the site free of charge, but will not be responsible for labor or the labor costs of replacement. Warranty claims must be filed within the applicable warranty period and accompanied by a sales order or invoice number.
