DOG PARK AMENITIES

DOG PLAY
SHAPE
FURNISHINGS

A photograph of a dog park. In the foreground, a medium-sized, scruffy brown and tan dog is running across a green lawn towards the right. In the background, there are several pieces of dog park equipment: a circular wooden hoop on the left, a wooden A-frame with blue plastic rungs in the center, and a larger structure with two blue circular tunnels on the right. The background is a dense forest of tall, thin trees.

For Dogs *and their owners!*

Dogs were born for activity, so many behavior problems are caused by a lack of physical and mental activity. Our dog park products provide opportunities to exercise their minds and bodies by catering to dogs of all abilities and confidence levels. Enhancing your dog park with our products will make every day a paw-tay!

WHY WE'RE BETTER

Our posts and decks are made from recycled post-consumer plastic products such as milk jugs. This reliable lumber is vandal-resistant, won't deteriorate from the sun, and is warranted from rotting for 15 years!

We Use Quality dog park materials

At Superior, we only use quality materials for your dog park — whether purchasing just a **bench** or a **full dog park package**. Our dog park products are proudly **made in the USA**. Our products are built to last and provide fun for years to come.

1

We offer the look and feel of wood without the unwanted maintenance.

Our recycled posts and decks look just like wood without the wanted maintenance. These reinforced posts and decks are vandal resistant, protected from rotting or splitting, and have UV additives to protect them from fading. Additionally, this material is resistant to termites, salt spray, and the like.

2

Our rotationally-molded plastics have anti-static inhibitors.

Our rotationally-molded plastics, such as those used for tubes and roofs, are made of $\frac{3}{8}$ " thick low density polyethylene (LDPE). They are UV stabilized for reduced fading and also contain anti-static inhibitors.

3

Our Superdurable powder coat leaves your equipment protected.

Our steel accents are coated with 3 mils of zinc-rich primer and 3 mils of Superdurable powder coat. These 6 mils protect your product from sun discoloration and salt (in coastal regions).

4

Our textured HDPE panels are strong and UV stabilized.

Our $\frac{3}{4}$ " thick textured high density polyethylene is used for our panel accents, such as on our Dog Log. With UV stabilization, we ensure your carefully selected color will remain bright and colorful for years to come. These panels are stain- and graffiti-resistant and will not splinter or crack.

5

Our shades block harmful UV rays.

Our shade fabric blocks 91%-99% of harmful UV rays, depending upon the color you've chosen. Our fabric is also flame retardant, with some of our color choices being California Fire Marshal certified.

6

We offer stainless steel hardware, so you won't worry about rust.

99% percent of the hardware we use on our dog play equipment is stainless steel, with less than 1% being corrosion-resistant coated steel. Our hardware is packaged individually and labeled, allowing for more efficient installation.

Our Leading *warranty*

Our warranty guarantees years of unlimited fun. **View our full warranty by visiting us online at srpplayground.com/warranty.**

Superior Recreational Products (SRP) warrants that its product will be free from defects in materials and workmanship as well as maintain structural integrity for the periods listed below from the date of invoice and once SRP has been paid in full. This warranty is in effect only if the product has been assembled and installed strictly in accordance with the setup instructions provided by SRP, good construction practices, and has been subjected only to normal use and exposure.

- Lifetime* Warranty on playground steel and recycled posts, all stainless steel hardware, c-line fittings, and aluminum post caps
 - 20-Year Limited Warranty on steel Shade structures
 - 15-Year Limited Warranty on playground pipes, rungs, loops and rails, roto-molded plastics, HDPE plastic sheets, punched steel decks, and recycled decks
- 10-Year Limited Warranty on shade fabric and Ascend Rope Climber cable breakage
 - 5-Year Limited Warranty on powder coat and netting cable
 - 3-Year Limited Warranty on electronic play and Ascend Rope Climber flexible rubber belting
 - 1-Year Limited warranty on moving parts, Shade cable, and materials not covered above

Limited Warranty: Structural Steel

SRP offers a *Lifetime Limited Warranty on structural steel frames against failure due to rust-through corrosion under normal environmental conditions. Should the parts need to be replaced under the warranty, SRP will manufacture and ship new replacement parts at no charge for the first ten years, thereafter pro-rated at 50% for the second ten years and 25% from there on. Workmanship is warranted for a period of five years. This steel warranty shall be void if damage to the steel is caused by the installer or from physical damage, damage by salt spray or sprinkler systems, contact with chemicals, chlorine, pollution, misuse, vandalism, or any act of God.

Limited Warranty: Powder Coat

Superior Recreational Products offers a 5-year Limited Warranty for powder coating to the original purchaser. This Limited Warranty is for factory applied finish only. Damage occurring from shipping, erection, vandalism, accidents, or field modification is not covered in this limited warranty and will require field touch-up immediately and periodically thereafter. The owner must report any defect in powder coat at the time the installation is completed. Not covered by this Limited Warranty are acute angles, welds, and end plates.

The Limited Warranty for powder coating provides the following after a 5-year exposure period when applied according to the recommendations listed on the product’s technical data sheet and appropriate surface preparation has been utilized.

- The coatings shall retain their original color with a ΔE of <7.5 units for high chroma colors (yellows, reds, oranges, etc.) and a ΔE of<5.0 units for low chroma colors, when tested in accordance with ASTM D 2244.
- The coating shall retain a minimum of 50% of its original gloss level after washing, when tested in accordance with ASTM D 523.
- The coating shall exhibit chalking no worse than numerical rating of 6, when evaluated in accordance with ASTM D 659-80.

Stainless Steel Series (Powered by Playdale Playgrounds)

Playdale Playgrounds warrants its products to the original customer to be free from structural failure due to defect in materials or workmanship during normal use and installation in accordance with the published specifications. The warranty shall commence on the date of the invoice and terminate at the end of the period on the full warranty statement. The warranty is valid only if the products are installed properly and in conformance of the specifications, installation guides, Playdale Playgrounds design layout, and properly maintained in accordance with the maintenance schedule provided within the installation instructions. Playdale Playgrounds reserves the right to accept or reject any claim in whole or in part. Playdale Playgrounds will not accept the return of any product without prior approval by Playdale management.

Electronic Play

SRP guarantees the speakers, sound chips, and circuit boards used in the production of their electronic play products for 3 years, against electronic failure caused by manufacturing defects. This guarantee does not include failure as a result of any form of misuse, vandalism or neglect including, but not limited to accidental damage while changing the batteries or servicing the internal electronics, a failure to follow the battery replacement guide, the troubleshooting guide or the care and maintenance instructions for the electronics units.

Pricing, Cancellation, Return, and Shipping Policies

All prices are F.O.B. factor and do not include freight, installation, shipping and handling, surfacing, or applicable taxes. All prices listed were current at the time of printing and in U.S. currency. Prices are subject to change without notice. **For the purpose of this warranty, lifetime encompasses no specific term of years, but rather that seller warrants to its original customer for as long as the original customer owns the product and uses the product for its intended purpose that the product and all parts will be free from defects in materials and manufacturing workmanship. This warranty does not cover damage caused by vandalism, misuse or abuse, altered or modified parts, or cosmetic damage such as scratches, dents, or fading or weathering and normal wear and tear. This warranty is valid only if the structures are installed in conformity with instructions provided by Superior Recreational Products using approved Superior Recreational Products parts. Superior Recreational Products will deliver the repaired or replacement part or parts to the site free of charge, but will not be responsible for labor or the labor costs of replacement. Warranty claims must be filed within the applicable warranty period and accompanied by a sales order or invoice number.*
