Quick Ship

Your Order Shipped in 10 Business Days

We offer select shade styles that ship within 10 business days. Visit srpshade.com/products/quick-ship-shade to learn more.

What's Trending

Keeping Cool On and Off the Court

From pickleball and tennis to baseball and basketball, we have a shade structure to keep players cool on the court or spectators in the stands. Our versatile designs cater to a variety of sports and facilities, ensuring that every athlete and spectator stays comfortable while it's game on. With customizable options, we can meet the specific needs of your facility, enhancing both functionality and aesthetic appeal.

Proudly Made in America

We take pride in our commitment to quality and craftsmanship. Our shade structures are manufactured in Georgia, where we uphold rigorous standards of excellence and support our local communities and economies. This dedication to quality, craftsmanship, and American-made ingenuity guarantees that each shade structure is built to last.

100+ DSA Pre-Approved Shade Structures for California Schools and Educational Facilities

We're proud to offer select shade structures with Division of the State Architect (DSA) pre-check approval. California state schools and other educational facilities can streamline the construction approval process by selecting a pre-approved Superior shade.

Look for our DSA Pre-Check icon throughout the catalog for qualifying shade structures.

Continuing Education Units for Landscape Architects and Park Professionals

We offer continuing education units (CEUs) for landscape architects, educators, and park professionals, focusing on the theme of recreation. Our courses provide valuable insights into designing and enhancing recreational spaces, helping professionals stay informed and inspired in their fields.
