

# Adventures in Growing AIGo12

Model Number: AIG012

Recommended Ages: 6-23 Months

Capacity: 7

Structure Size: 11' x 2½'

Use Zone: 24' x 15'

## Product Description

This Adventures in Growing unit is fun and safe for young children 6 to 23 months old. This toddler playground is comprised of stairs, slide, and fun interactive elements. There are fun shapes with different textures around the structure as well as cut-outs in the roof. There are two play panels at ground level: the maze panel and bongo drums.

## Structural Materials

- 3/4" textured and UV stabilized high density polyethylene (HDPE) panels
- Stainless steel hardware included so you don't worry about rust
- Galvanized steel ground anchor

## Color Schemes

## Features and Benefits

- Designed for the specific developmental needs and play styles of pre-toddlers
- The Adventures in Growing line has the only 6-23 month structures in the industry to meet CPSC guidelines
- Long lasting; little maintenance
- Constructed of durable materials and backed by the industry's leading warranty
