

Partnerships For Play

MATCHING FUNDS GRANT PROGRAM

Become a partner in play.

Eligible schools, child care centers, and municipalities can apply to become a partner in play and receive matching funds for their next playground purchase.

In an effort to provide better play opportunities for children attending school or a child care center or living within a smaller municipality, we offer a 100% matching funds program between the months of August 1 and October 31 on a first-come, first-serve basis. To be eligible, you must be a school or child care located within the United States or be a municipality within the United States with a population of 15,000 or under.

How 100% Matching Funds Works

You Pay For **half** + We'll Match Your **half** = One Playground For **half**
Of Your Playground By 100% The Price!*

*Terms & Conditions

To qualify for up to 100% matching funds, the customer must be pre-approved and eligible. All applications will be reviewed and approved by Superior Recreational Products (SRP). SRP reserves the right to decline any application and while many will apply, only a few grants are available. Eligible applicants include schools and child care centers located within the United States or municipalities within the United States with a population of 15,000 or under. If approved, applicant will select an eligible playground structure from a list of pre-approved structures valued at \$48,000 and above. Payment must be made in full upon receiving your order. Orders accepted by SRP must ship to coincide with normal lead times. This program may not be combined with any other promotional offer. Installation, safety surfacing, freight, taxes, and any applicable material surcharge are not included or covered in this program. Grant application window is only open from August 1 to October 31 and any application received after 11:59 p.m. EST on October 31 will not be considered. Award monies are only available to redeem within 45 days of application approval.

Warning! Installation over a hard surface such as concrete, asphalt, or packed earth may result in serious injury from falls.
