

## Vertical Spider Net Climber

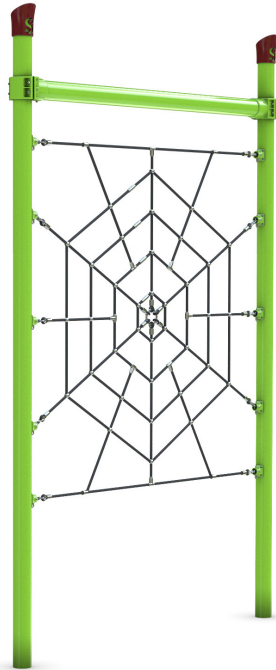

EFR0103XX

Age Range: 5-12

Dimensions: 107 1/4" x 8"

Use Zone: 21' x 12'

Height: 9'

### DESCRIPTION

The Vertical Spider Net Climber challenges children ages 5-12 to scale the ropes of this 8' climber. Children can crawl up, over, and down as they improve their balance, coordination, and flexibility. Made of durable, powder coated steel and easy-to-grip six-strand steel core rope, this freestanding climber is a suitable piece of playground equipment for parks and recreation centers and schools. Choose from a large selection of powder coat colors to customize the look of your climber and match the sleek, black netting.

### QUICK REFERENCE
